

Protective Factors

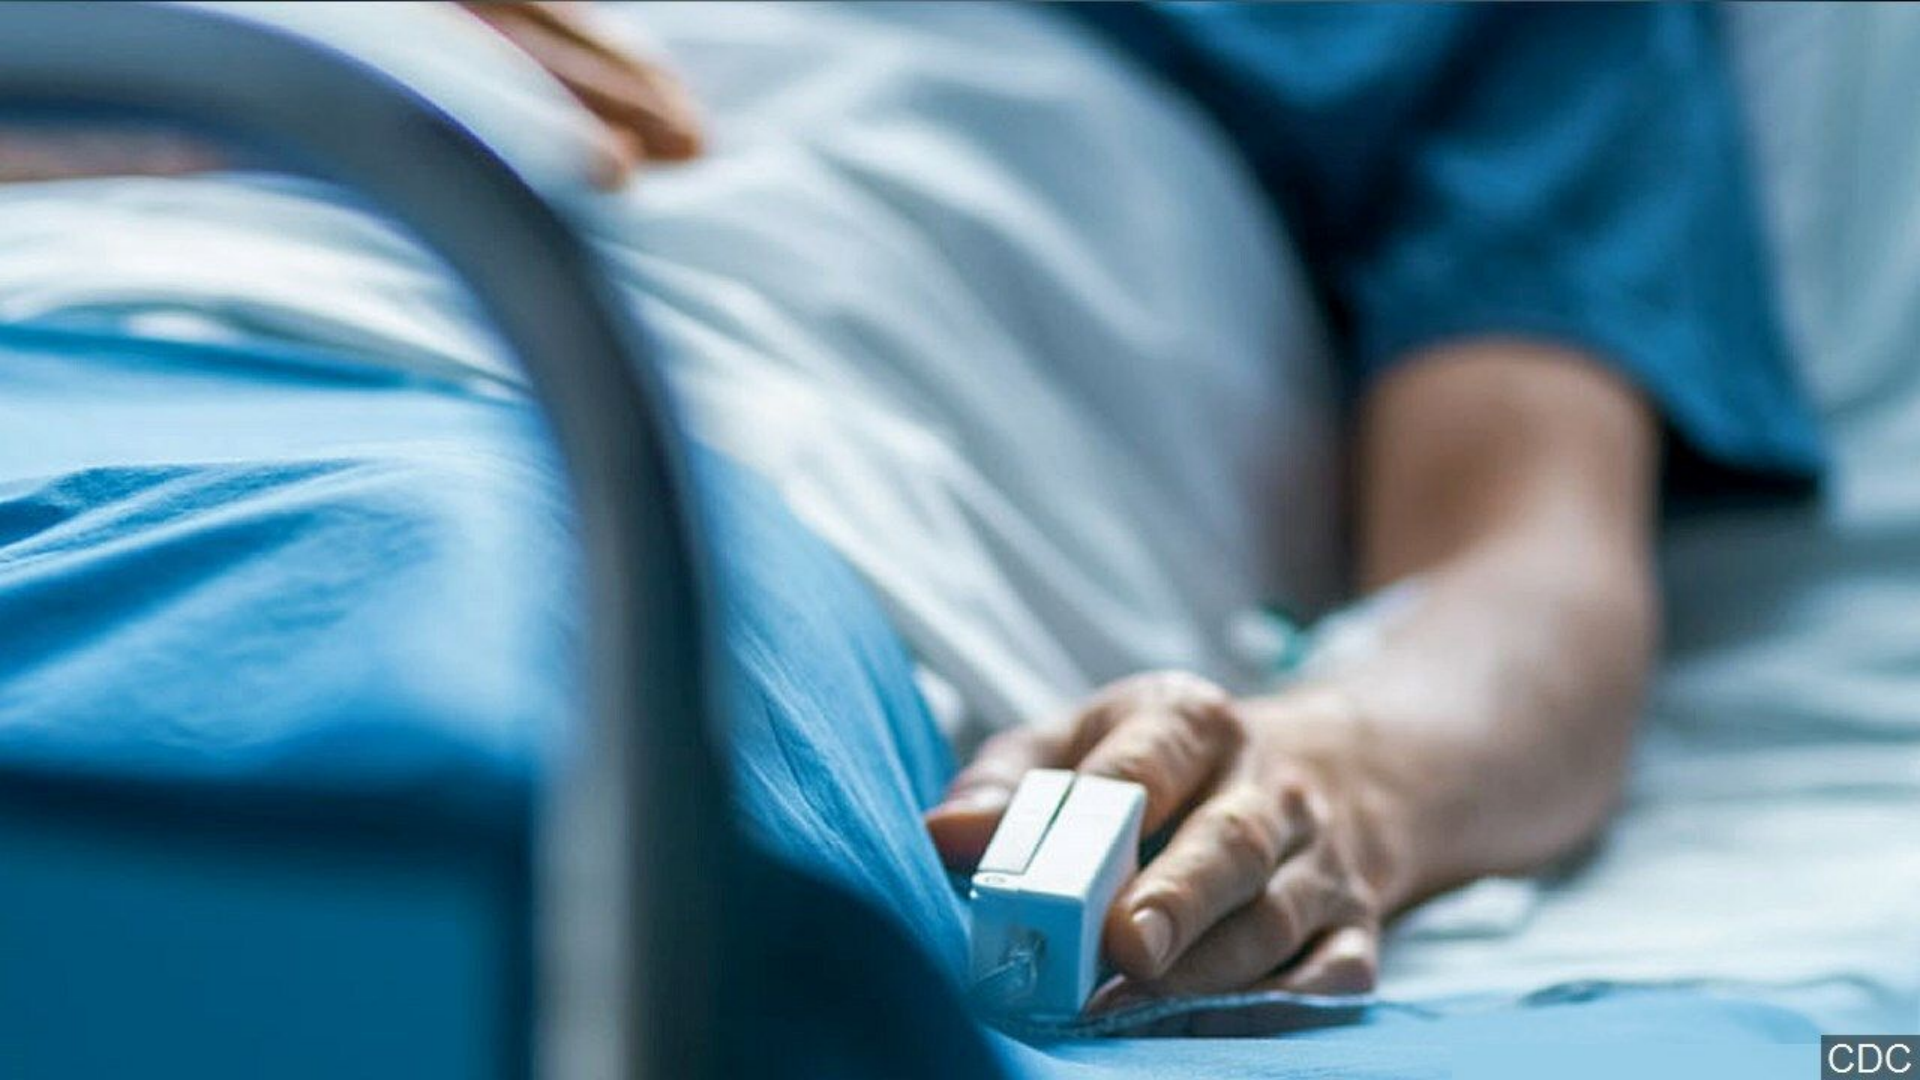

Why You are vital to Prevention

Why You Matter

Thought Experiment

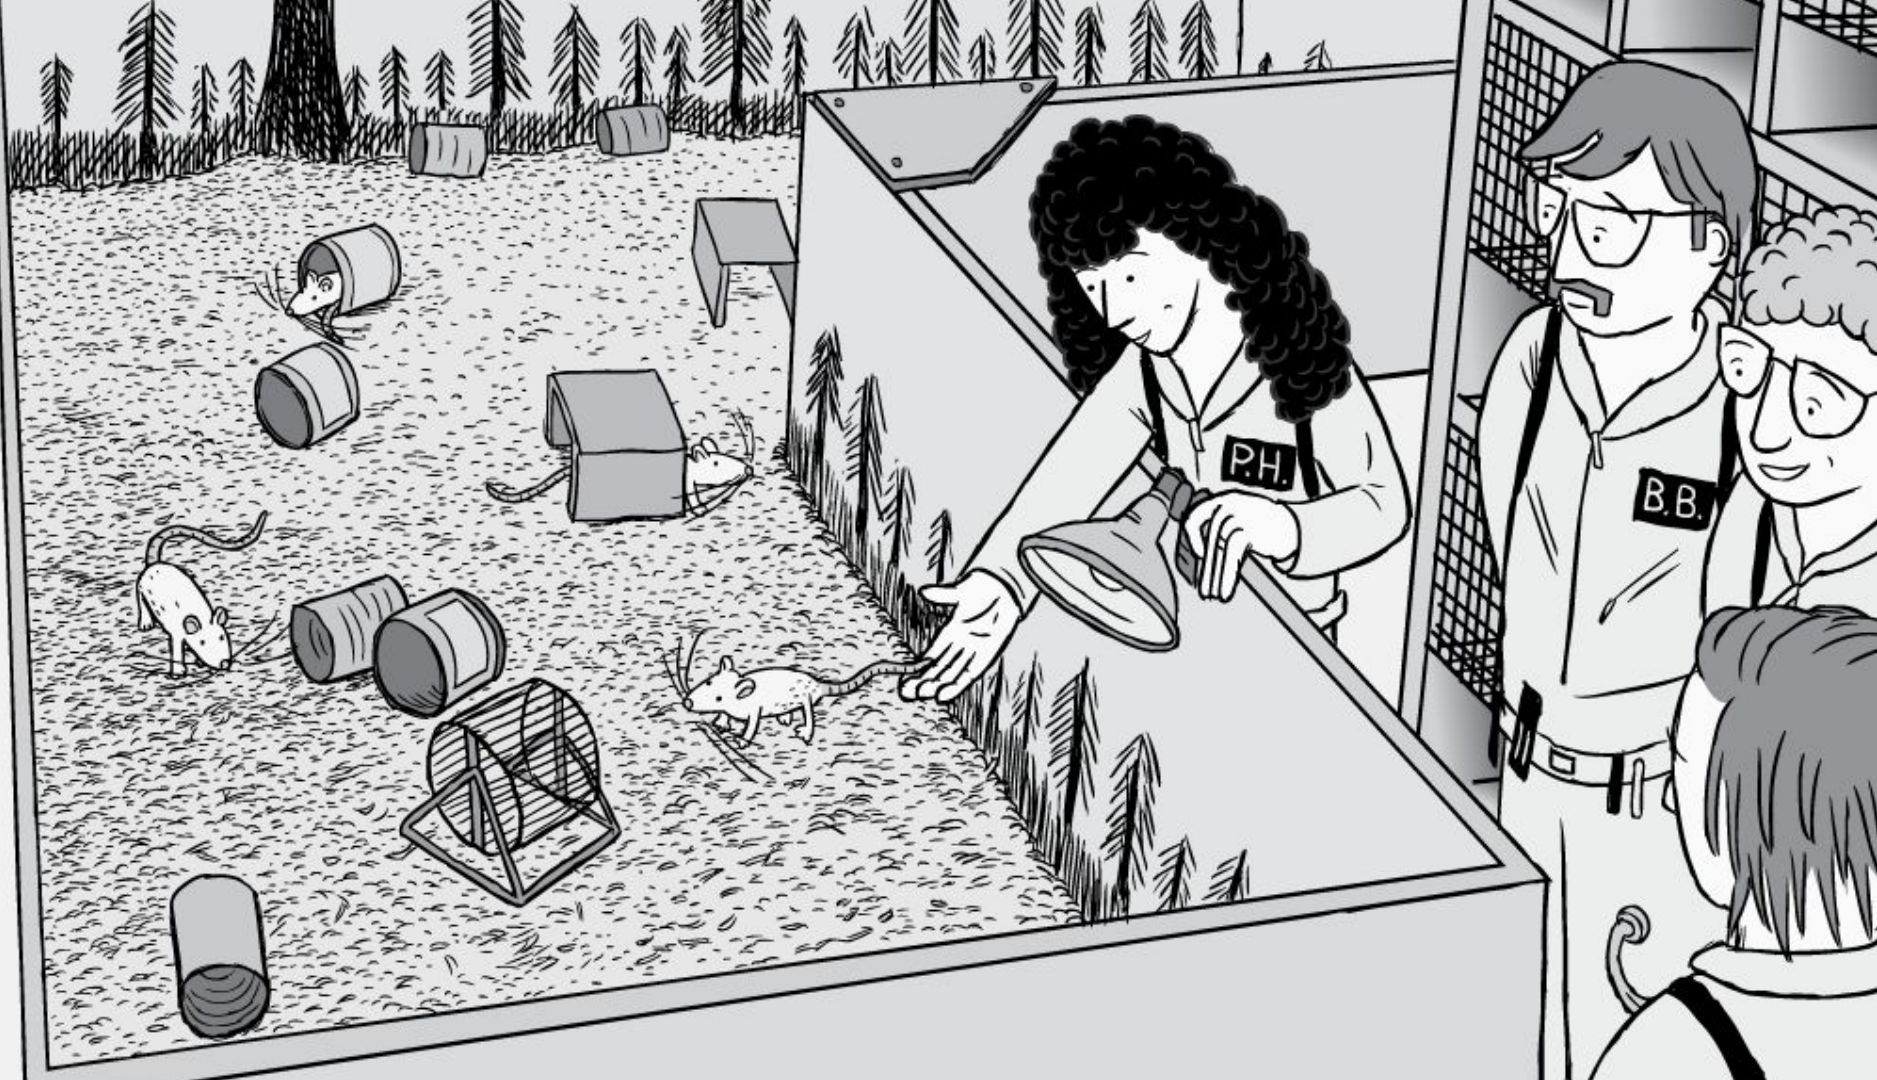

**That Would Never Happen...
Right?**

What About the Rodents?

Why You Are Wrong About Addiction.

**Addiction Is about much
more than the drug.**

Can You Create Rat Park For Your School? (But for Humans)

3 Minutes – To Find a Space and a Group

Rat (Human) Park Projects

Where?

When?

What?

5 Minutes

Rat (Human) Park Projects

How are you going to include marginalized groups?

Would they want it to look differently?

3 minutes

Human Park Share Out

Find another Group, 2 minutes to share

Rat (Human) Park Projects

**If you could only choose one thing from your park?
Which thing would you bring to your community?**

Debrief

Wait... We aren't rats...?

Feeling Bonded to School, Community, Family

High Problem Solving Skills and Self-Esteem

Opportunities for Positive Social Involvement

Being Recognized for Positive Behavior and Achievements

**Clear Consistent Expectations
About Non-Use.**

These Are Protective Factors

Which Ones Can You Change?

**Find Actionable piece from Human
Park. Create it.**
